Booking a job

Log in at admin.tyrewise.co.nz
or scan this QR code.

Enter your email address, then a verification code will be emailed to you. No password is needed.

Go job, add job
in the main
menu

Fill in the form

- Pickup location: Which of your locations is the job for
- Requested Pickup Date: When do you want the tyres collected
- Transporter: Which transporter do you want to collect the job
- Job Status: Set to 'available for pickup'
- Special conditions: Any notes for the transporter
- Load type: Loose tyres (most commonly) or hookbin
- Tyre Details: Estimate the numbers of tyres to collect
- Repeat job: How often do you want this job to repeat

Verifying a job pick-up

Verifying a job correctly ensures that the transporter will get paid for their work and is a requirement of the Tyrewise scheme.

Scan the QR code on the drivers phone

If prompted, or if you can't scan, log in at jobs.tyrewise.co.nz

Select 'Verify a load' if prompted

Verify a load

Enter the job number, or scan the QR code

Enter the Job No. and tap the button to get the load details for verification.

125

Get details

OR

Scan QR Code

Select 'Load is correct' if there are any issues, otherwise dispute the load.
